

Memorandum

Date: (Public Hearing 11-3-15)

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Ordinance Creating the Coco Palms Community Development District

Agenda Item No. 5(D)

Ordinance No. 15-123

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached Ordinance creating the Coco Palms Community Development District (CDD) in unincorporated Miami-Dade County (County), pursuant to the authority granted by the Miami-Dade County Home Rule Charter for the purposes set forth in Chapter 190 of the Florida Statutes, subject to acceptance of the declaration of restrictive covenants running with the lands within the jurisdiction of the CDD.

Scope

This Coco Palms CDD is located within Commissioner Daniella Levine Cava's District 8 and will provide funding for capital improvements, as well as multipurpose maintenance functions, within the CDD.

Fiscal Impact/Funding Source

The creation of the Coco Palms CDD will have no fiscal impact to the County. CDD funding is derived from assessments levied against the property within the CDD, which are secured by a lien against the properties and collected directly by the CDD or through the annual Combined Real Property tax bill pursuant to an interlocal agreement with the County.

Track Record/Monitor

This development has private roads that are to be maintained by Homeowner Associations (HOA) or the Coco Palms CDD. A Special Taxing District will be created to maintain the development's infrastructure, such as private roadways, private area storm drainage, and landscaping, should the CDD be dissolved or fail to fulfill its maintenance obligations. The Special Taxing District will remain dormant until such time as the County determines to implement the district.

Background

Coco Palms 82, LLC (Petitioner), the owner of the Coco Palms Development, has filed an application to create the Coco Palms CDD in connection with said development. Coco Palms Development is a proposed 91.43 acres residential development lying wholly within the County, in an area bounded by theoretical SW 114 Avenue on the east, Homestead Extension of the Florida's Turnpike on the south, theoretical SW 118 Avenue on the west, and SW 248 Street on the north. The Coco Palms CDD is designed to provide a financing mechanism for community infrastructure, facilities, and services along with certain ongoing operations and maintenance for the Coco Palms CDD. The development plan for the lands within the proposed Coco Palms CDD includes construction of 743 residential dwelling units (253 villa units, 309 townhomes units, and 181 single family units) with associated roadway improvements, waste water collection system, water distribution system, and storm water management improvements, which are estimated to cost approximately \$13,401,400.00. This development has private roads that are to be maintained by a Homeowners Association or the Coco Palms CDD. A detailed summary of CDD elements, as well as the cost and anticipated lack of fiscal impacts to government agencies, are

Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

presented in the attached application submitted by the Petitioner. In accordance with Florida Statute 190, the Petitioner has paid a filing fee of \$15,000.00 to the County.

A declaration of restrictive covenants has been submitted consistent with the requirements of Resolution R-413-05 adopted by the Board on April 5, 2005, and as amended by Resolution No. R-883-06, which was adopted on July 18, 2006 to add language regarding the option to pay capital assessments in full at the time of closing. The restrictive covenants provides for: (1) notice in the public records of the projected taxes and assessments to be levied by the Coco Palms CDD; (2) individual prior notice to the initial purchaser of a residential lot or unit within the development; and (3) provisions for remedial options to initial purchasers whose contract for sale did not include timely notice of the existence and extent of CDD liens and special assessments.

This Board is authorized by the Florida Constitution and the County Home Rule Charter to establish governmental units, such as this CDD, within the County and to prescribe such government's jurisdiction and powers.

1. **Petitioner:** Petitioner is a Florida limited liability company with principal offices at 700 N.W. 107th Avenue, 4th Floor, Miami, FL 33172.

2. **District Location and Description:** The land area to be included in the District comprises approximately 91.43 gross acres more or less. The project to be developed by Petitioner within the District is called Coco Palms Estates.

3. **District Impact:** There is no property within the external boundaries of the District which will not be part of the District. The impact of creating the District on the parcels adjacent to the District should be positive, in that the facilities provided by the District and maintenance of same should result in an aesthetically pleasing surrounding area with beneficial infrastructure while not detrimentally affecting anyone outside the District. In addition, any potential establishment costs to Miami-Dade County, the establishing entity, will be nominal.

4. **Property Owner Consent:** Attached hereto as **Exhibit "C"** is the written consent to the establishment of the District by the owner of the real property to be included in and serviced by the District.

5. **Initial Governing Board:** The five (5) persons designated to serve as the initial members of the board of supervisors of the District, who shall serve in that office until replaced by elected members, as provided in Section 190.006, Florida Statutes, are named in **Exhibit "D"** attached hereto.

6. **District Name:** The proposed name of the District is Coco Palms Community Development District.

Email: dlyles@bclmr.com

8. **Water and Sewer Lines:** The major trunk water mains, sewer interceptors and outfalls currently in existence to serve the District are identified on **Exhibit "E"** attached hereto.

9. **District Improvements:** The Petitioner intends that the District will finance (i) water distribution system; (ii) wastewater collection system; (iii) roadway improvements; and (iv) stormwater management improvements. The water distribution system and wastewater collection system will be owned and maintained by Miami-Dade County. The roadway improvements (including, but not limited to, landscaping, street lighting, sidewalks and signage) will be owned and maintained by the District. The

stormwater management improvements will be owned and maintained by the District. The proposed timetable to construct the District improvements, based upon available data, is attached hereto as **Exhibit "F"**. A good faith estimate of the costs of the District improvements is attached hereto as **Exhibit "G"**.

10. **Future Land Use Plan Designation:** The future general distribution, location and extent of land uses within the proposed District are shown on **Exhibit "H"** attached hereto.

11. **Statement of Estimated Regulatory Costs:** The statement of estimated regulatory costs of granting this Petition and establishing the District is attached hereto as **Exhibit "I"**.

12. **Rights to be Granted the District:** Petitioner hereby requests that the District be granted the right to exercise all powers provided for in Sections 190.012(1) and (2)(a) and (d), Florida Statutes. Owner agrees to restrictive covenants on the subject property attached hereto, Declaration of Restrictive Covenants as **Exhibit "J"**.

13. **Disclosure Requirements:** The Petitioner undertakes on behalf of the District that the Petitioner and the District will provide full disclosure of information relating to the public financing and maintenance of improvements to real property to be undertaken by the District as required by Section 190.009, Florida Statutes, and as required as a condition of the creation of the District by the Miami-Dade County Commission.

14. **Reasons for the Establishment of the District:** The property within the District is amenable to operating as an independent special district for the following reasons:

a) Establishment of the district and all land uses and services planned within the proposed District are consistent with applicable elements or portions of the effective Miami-Dade County Comprehensive Master Plan.

b) The area of land within the District is part of a unified plan of development. The land encompassing the District is of sufficient size and is sufficiently compact and contiguous to be developed as one functional integrated community.

c) The community development services of the District will be compatible with the capacity and use of the existing local and regional community development services and facilities.

d) The District will be the best alternative available for delivering community development services to the area to be served because the District provides a governmental entity for delivering those services and facilities in a manner that does not financially impact persons residing outside of the District.

WHEREFORE, Petitioner respectfully requests Miami-Dade County to:

A. Schedule and hold a public hearing to consider this Petition pursuant to the uniform procedures set forth in Section 190.005(2)(b) and (1)(d), Florida Statutes.

B. Grant the Petition and adopt an ordinance to establish the District and designate the land area to be serviced by the District, pursuant to Sections 190.005(2), Florida Statutes.

STATEMENT OF ESTIMATED REGULATORY COSTS

1.0 Introduction

1.1 Purpose and Scope

This Statement of Estimated Regulatory Costs ("SERC") supports the petition to create the boundaries of the Coco Palms Community Development District ("District"). The District comprises approximately 91.43 acres of land located in unincorporated Miami-Dade County, Florida. The limitations on the scope of this SERC are explicitly set out in Section 190.002(2) (d), Florida Statutes ("F.S.") governing District establishment as follows:

"That the process of establishing such a district pursuant to uniform general law shall be fair and based only on factors material to managing and financing the service delivery function of the district, so that any matter concerning permitting or planning of the development is not material or relevant (emphasis added)."

1.2 Overview of Coco Palms Community Development District

The District is designed to provide district infrastructure, services, and facilities along with their operations and maintenance to a master planned residential development containing a mix of 743 residential dwelling units within the boundaries of the District. There are 181 single family units, 309 townhome units and 253 villa units.

1.3 Requirements for Statement of Estimated Regulatory Costs

Section 120.541(2), F.S. (2014), defines the elements a statement of estimated regulatory costs must contain:

(a) An economic analysis showing whether the rule directly or indirectly; is likely to (1) have an adverse impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule; is likely to (2) have an adverse impact on business competitiveness, including the ability of persons doing business in the state to compete with persons doing business in other states or domestic markets, productivity, or innovation in excess of \$1 million in the aggregate within 5 years after implementation of the rule; or is likely to (3) increase regulatory costs, including any transactional costs, in excess of \$1 million in the aggregate within 5 years after the implementation of the rule.

(b) A good faith estimate of the number of individuals and entities likely to be required to comply with the rule, together with a general description of the types of individuals likely to be affected by the rule.

(c) A good faith estimate of the cost to the agency (County), and to any other state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state and local revenues.

(d) A good faith estimate of the transactional costs likely to be incurred by individuals and entities, including local governmental entities, required to comply with the requirements of the ordinance. As used in this paragraph, "transactional costs" are direct costs that are readily ascertainable based upon standard business practices, and include filing fees, the cost of obtaining a license, the cost of equipment required to be installed or used or procedures required to be employed in complying with the rule, additional operating costs incurred, and the cost of monitoring and reporting.

(e) An analysis of the impact on small businesses as defined by Section 288.703, F.S., and an analysis of the impact on small counties and small cities as defined by Section 120.52, F.S. Miami-Dade County is not defined as a small County for purposes of this requirement.

(f) Any additional information that the agency determines may be useful.

(g) In the statement or revised statement, whichever applies, a description of any good faith written proposal submitted under paragraph (1) (a) and either a statement adopting the alternative or a statement of the reasons for rejecting the alternative in favor of the proposed ordinance.

"Note: the references to "rule" in the statutory requirements for the Statement of Estimated Regulatory Costs also apply to an "ordinance" under section 190.005(2) (a), Florida Statutes."

2.0 An economic analysis of potential impacts on economic growth, business competitiveness or increased regulatory costs, in excess of \$1 million within the next 5 years.

It is unlikely the establishment/creation of the District will meet any of the triggers in Section 120.541(2)(a), F.S. The basis for this determination is provided in the discussions in Section 3.0 through Section 6.0 herein.

3.0 A good faith estimate of the number of individuals and entities likely to be required to comply with the ordinance, together with a general description of the types of individuals likely to be affected by the ordinance.

The Coco Palms Community Development District (the "District") serves land that comprises a 91.43 acres residential development to be made up of an

estimated 743 residential dwelling units. The estimated total population of the District will be approximately 1,850+/- . The property owners in the District will be individuals that may operate industrial, manufacturing, commercial, retail and non-retail related businesses outside the boundaries of the District. The majority of the property owners in the District will be individuals and families.

- 4.0 A good faith estimate of the cost to the agency, and to any other state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state or local revenues.

There is no state agency promulgating any rule relating to this project that is anticipated to affect state or local revenues.

- 4.1 Costs to Governmental Agencies of Implementing and Enforcing Ordinance

Because the results of adopting the ordinance is establishment of a local special purpose government, there will be no enforcing responsibilities of any other government entity, but there will be various implementing responsibilities which are identified with their costs herein.

State Governmental Entities

There will be only modest costs to various State governmental entities to implement and enforce the proposed establishment of the District. The District as established on the proposed land, will encompass under 1,000 acres, therefore, Miami-Dade County is the establishing entity under 190.005(2), F.S. The modest costs to various State entities to implement and enforce the proposed ordinance relate strictly to the receipt and processing of various reports that the District is required to file with the State and its various entities. Appendix A lists the reporting requirements. The costs to those State agencies that will receive and process the District's reports are very small, because the District is only one of many governmental units that are required to submit the various reports. Therefore, the marginal cost of processing one additional set of reports is inconsequential. Additionally, pursuant to section 189.018, F.S., the District must pay an annual fee to the State of Florida Department of Economic Opportunity which offsets such costs.

Miami-Dade County

There will be only modest costs to the County for a number of reasons. First, review of the petition to establish the District does not include analysis of the project itself. Second, the petition itself provides much of the information needed for a staff review. Third, the County already possesses the staff needed to conduct the review without the need for new staff. Fourth, there is no capital required to review the petition. Finally, the County routinely process similar petitions though

for entirely different subjects, for land uses and zoning changes that are far more complex than is the petition to establish a community development district.

The annual costs to Miami-Dade County, because of the establishment of the District, are also very small. The District is an independent unit of local government. The only annual costs the County faces are the minimal costs of receiving and reviewing the various reports that the District is required to provide to the County, or any monitoring expenses the County may incur if it establishes a monitoring program for this District. However, the Petitioner has included a payment of \$15,000 to offset any expenses the County may incur in the processing of this Petition, or in the monitoring of this District.

4.2 Impact on State and Local Revenues

Adoption of the proposed ordinance will have no negative impact on state or local revenues. The District is an independent unit of local government. It is designed to provide infrastructure facilities and services to serve the development project and it has its own sources of revenue. No state or local subsidies are required or expected. In this regard it is important to note that any debt obligations incurred by the District to construct its infrastructure, or for any other reason, are not debts of the State of Florida or any other units of local government. In accordance with State law, debts of the District are strictly its own responsibility.

5.0 A good faith estimate of the transactional costs likely to be incurred by individuals and entities required to comply with the requirements of the ordinance.

Table 1 below provides an outline of the various facilities and services the District may provide.

Table 1

Wastewater Collection System	CDD	WASD	WASD
Roadway Improvements	CDD	CDD	CDD
Stormwater Management Improvements	CDD	CDD	CDD

CDD = Community Development District

WASD = Miami-Dade County Water and Sewer Department

The petitioner has estimated the costs for providing the capital facilities (the "Facilities") outlined in Table 1. Total costs for those Facilities, which may be

provided, are estimated to be approximately \$13,401,400.00. The District may issue special assessment bonds in one or more series to fund all of the costs or a portion of the costs of these Facilities located in the District. The proposed bonds would be repaid through non-ad valorem special assessments levied on all benefitted properties within the District that may benefit from the District's infrastructure program as outlined herein on Table 2 below. Table 3 herein below provides an approximate timetable for commencement and completion of the Facilities.

Prospective future landowners in the District may be required to pay non-ad valorem assessments levied by the District to secure the debt incurred through bond issuance. In addition to the levy of non-ad valorem special assessments for debt service, the District may also impose a non-ad valorem assessment to fund the operations and maintenance of the District and its owned facilities and services.

Furthermore, locating in the District by new property owners is completely voluntary. So, ultimately, all owners and users of the affected property choose to accept the non-ad valorem special assessments by various names and user fees as a tradeoff for the benefits and facilities that the District provides.

A Community Development District ("CDD") provides property owners with the option of having higher levels of facilities and services financed through self-imposed assessments. The District is an alternative means to manage necessary development services with related financing powers. District management is no more expensive, and often less expensive, than the alternatives of a municipal service taxing unit (MSTU), a property owner's association, County provision, or through developer equity and/or bank loans.

In considering these costs it shall be noted that owners of the lands to be included within the District will receive three major classes of benefits.

First, landowners in the District will receive a higher long-term sustained level of public services and amenities sooner than would otherwise be the case.

Second, a CDD is a mechanism for assuring that the community services and amenities will be completed concurrently with development of lands within the District. This satisfies the revised growth management legislation, and it assures that growth pays for itself without undue burden on other consumers. Establishment of the District will ensure that these landowners pay for the provision of facilities, services and improvements to these lands.

Third, a CDD is the sole form of governance which allows District landowners, through landowner voting, to determine the type, quality and expense of District services they receive, provided they meet the County's overall requirements.

The cost impact on the ultimate landowners in the District is not the total cost for the District to provide infrastructure services and facilities. Instead, it is the incremental costs above what the landowners would have paid to install infrastructure via an alternative management mechanism. Given the low cost of capital for a CDD, the cost impact to landowners is negligible. This incremental cost of the high quality infrastructure provided by the District is likely to be fairly low.

- 6.0 An analysis of the impact on small businesses as defined by Section 288.703, F.S., and an analysis of the impact on small counties and small cities as defined by Section 120.52, F.S.

Approval of the Coco Palms CDD will have positive impacts on small business as defined in Chapter 288.703 (1), F. S. These positive impacts will result because the additional population in the District will require goods and services from

small businesses. These services can be provided by the small businesses that currently serve the general area. Additional opportunities will also be created for new businesses to be formed or relocate to the area. No negative impacts have been identified for small businesses as defined.

The Miami-Dade County has an estimated population in 2010 (U.S. Census) that is greater than 75,000; therefore, the County is not defined as a "*small*" County according to Section 120.52, F.S, and there will accordingly be no impact on a small County because of the establishment of the District.

7.0 Any additional useful information.

The analysis provided above is based on a straightforward application of economic theory, especially as it relates to tracking the incidence of regulatory costs and benefits. Inputs were received from the Petitioner's Engineer and other professionals associated with the Petitioner.

8.0 In the statement or revised statement, whichever applies, a description of any good faith written proposal submitted under paragraph (1) (a) and either a statement adopting the alternative or a statement of the reasons for rejecting the alternative in favor of the proposed rule.

There have been no good faith written proposals submitted to the agency as described in Section 120.541(1)(a), Florida Statutes.

THE DWELLING UNIT YOU ARE PURCHASING IS SUBJECT TO A COMMUNITY DEVELOPMENT DISTRICT AND A RELATED DECLARATION OF RESTRICTIVE COVENANTS WHICH REQUIRES THAT CERTAIN NOTICES BE GIVEN TO PURCHASERS BY OWNER. THIS NOTICE AND THE ATTACHED CDD NOTICE ARE BEING GIVEN TO YOU PURSUANT TO SUCH DECLARATION. PLEASE NOTE THAT THE DISTRICT PLANS TO ISSUE OR HAS ISSUED BONDS THAT WILL HAVE PRINCIPAL AND INTEREST PAYMENTS APPLICABLE TO THIS DWELLING UNIT OVER A PERIOD OF UP TO THIRTY (30) YEARS TO FUND CONSTRUCTION OF INFRASTRUCTURE SERVING THE PROPERTY IN THE ESTIMATED AGGREGATE AMOUNT OF \$24,000 FOR A VILLA UNIT; \$27,000 FOR A TOWNHOME UNIT; AND \$30,000 FOR A SINGLE FAMILY UNIT. THE DWELLING UNITS SHALL BE ASSESSED AN ESTIMATED CAPITAL ASSESSMENT OF \$11,087 FOR A VILLA UNIT; \$12,472 FOR A TOWNHOME UNIT; AND \$13,858 FOR A SINGLE FAMILY UNIT. IF PAID IN FULL AT CLOSING OR AN ESTIMATED ANNUAL CAPITAL ASSESSMENT OF \$800 FOR A VILLA UNIT; \$900 FOR A TOWNHOME UNIT; \$1,000 FOR A SINGLE FAMILY UNIT FOR ITS PROPORTIONATE SHARE OF DEBT SERVICE ON THE BONDS UNTIL SUCH BONDS ARE PAID IN FULL. WHETHER THE CAPITAL ASSESSMENT IS PAID ONE TIME AT CLOSING OR IN ANNUAL INSTALLMENTS IS AT THE OPTION OF THE PURCHASER TO BE EXERCISED AT THE TIME OF CLOSING. THE ATTACHED NOTICE FULLY DESCRIBES YOUR OBLIGATIONS. YOU MAY ELECT TO RESCIND THE PURCHASE CONTRACT FOR A PERIOD OF THIRTY (30) DAYS FOLLOWING RECEIPT OF THIS NOTICE. UPON SUCH ELECTION, OWNER SHALL RETURN ALL MONIES PAID BY YOU AS THE PROSPECTIVE INITIAL PURCHASER REGARDING THE PURCHASE OF THE REAL PROPERTY IDENTIFIED IN THE PURCHASE CONTRACT WITHIN TEN (10) CALENDAR DAYS AFTER RECEIVING

YOUR WRITTEN NOTICE THAT YOU HAVE ELECTED TO RESCIND THE PURCHASE CONTRACT, AND ALL OTHER PROVISIONS OF THE DECLARATION OF RESTRICTIVE COVENANTS NOT INCONSISTENT WITH THE REMEDIES SET FORTH HEREIN SHALL GOVERN. NO OTHER REMEDIES ARE AVAILABLE TO PURCHASER WHETHER OR NOT YOU ELECT TO RESCIND EXCEPT IN THE EVENT OF AN OWNER DEFAULT WITH RESPECT TO THE CDD NOTICE AND THEN ONLY IN ACCORDANCE WITH THE DECLARATION.

Owner shall promptly refund any amounts due under the foregoing notice if a Prospective Initial Purchaser properly rescinds a Purchase Contract during the time provided. No other remedies provided in Section 1.4 shall be available to a Prospective Initial Purchaser who terminates a Purchase Contract pursuant to the foregoing notice.

1.2.2 Owner shall also provide substantially the following disclosure ("Purchase Contract Notice") on the first page of each Purchase Contract executed after the Effective Date of the Ordinance for a Dwelling Unit within the Property, immediately after disclosure of the purchase price for the Dwelling Unit:

THIS DWELLING UNIT IS WITHIN A COMMUNITY DEVELOPMENT DISTRICT ("DISTRICT"). THE DISTRICT PLANS TO ISSUE OR HAS ISSUED BONDS THAT WILL HAVE PRINCIPAL AND INTEREST PAYMENTS APPLICABLE TO THIS DWELLING UNIT OVER A PERIOD OF UP TO THIRTY (30) YEARS TO FUND CONSTRUCTION OF INFRASTRUCTURE SERVING THE PROPERTY IN THE ESTIMATED AGGREGATE AMOUNT OF \$24,000 FOR A VILLA UNIT; \$27,000 FOR A TOWNHOME UNIT; AND \$30,000 FOR A SINGLE FAMILY UNIT. THE DWELLING UNITS SHALL BE ASSESSED AN ESTIMATED CAPITAL ASSESSMENT OF \$11,087 FOR A VILLA UNIT; \$12,472 FOR A TOWNHOME UNIT; AND \$13,858 FOR A SINGLE FAMILY UNIT, IF PAID IN FULL AT CLOSING, OR AN ESTIMATED ANNUAL CAPITAL ASSESSMENT OF \$800 FOR A VILLA UNIT; \$900 FOR A TOWNHOME UNIT; AND \$1,000 FOR A SINGLE FAMILY UNIT FOR ITS PROPORTIONATE SHARE OF DEBT SERVICE ON THE BONDS UNTIL SUCH BONDS ARE PAID IN FULL. WHETHER THE CAPITAL ASSESSMENT IS PAID ONE TIME AT CLOSING OR IN ANNUAL INSTALLMENTS IS AT THE OPTION OF THE PURCHASER TO BE EXERCISED AT THE TIME OF CLOSING. THESE AMOUNTS ARE DUE OVER THE TERM OF THE BONDS IN ADDITION TO THE PURCHASE PRICE. INITIAL PURCHASER ALSO UNDERSTANDS THAT IF THE ACTUAL ANNUAL CAPITAL ASSESSMENTS ON THE DWELLING UNIT ARE MORE THAN FIVE PERCENT (5%) HIGHER THAN THE ESTIMATED AMOUNT PROVIDED HEREIN, INITIAL PURCHASER SHALL HAVE THE RIGHT TO RESCIND THIS AGREEMENT AT ANY TIME PRIOR TO CLOSING. INITIAL PURCHASER FURTHER ACKNOWLEDGES AND AGREES THAT THE ESTIMATED AMOUNT OF CAPITAL ASSESSMENTS DOES NOT INCLUDE ADMINISTRATIVE

ASSESSMENTS WHICH SHALL BE LEVIED BY THE DISTRICT FOR OPERATIONS AND INFRASTRUCTURE MAINTENANCE AND MAY VARY FROM YEAR TO YEAR AND FROM TIME TO TIME. IN THE EVENT OF ANY CONFLICT BETWEEN THE DISCLOSURES IN THIS PROVISION AND THE ATTACHED CDD NOTICE, THE CDD NOTICE SHALL CONTROL.

PURCHASER'S INITIALS: _____

Owner shall cause each Prospective Initial Purchaser to initial the Purchaser Contract Notice where indicated.

1.3 Relief to Prospective Initial Purchaser for Owner Default.

1.3.1 Owner shall provide relief, in the manner provided by this Section 1.3 to any Prospective Initial Purchaser who has not yet closed on a Dwelling Unit if any one of the following events shall occur (an "Owner Default");

1.3.1.1. Owner fails to provide a timely CDD Notice or Purchase Contract Notice as required; and/or

1.3.1.2. Owner provides a timely CDD Notice; however, such CDD Notice underestimates the aggregate or monthly actual Administrative Assessments for the District's first three fiscal years by more than five percent (5%); and/or

1.3.1.3. Owner provides a timely CDD Notice and/or Purchase Contract Notice; however, such CDD Notice and/or Purchase Contract Notice underestimates the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or monthly actual annual Capital Assessments by more than five percent (5%).

1.3.2 In the event of any Owner Default that is not cured by a timely Late Notice (as hereinafter defined), a Prospective Initial Purchaser may, in writing (a "Termination Notice"), elect to rescind the Purchase Contract at any time prior to closing. Upon such election, Owner shall return all monies paid by the Prospective Initial Purchaser regarding

the purchase of the real property identified in the Purchase Contract within ten (10) calendar days after receiving written notice from the Prospective Initial Purchaser that such Prospective Initial Purchaser has elected to rescind the Purchase Contract. No other remedies provided in Section 1.4 shall be available to a Prospective Initial Purchaser who terminates a Purchase Contract pursuant to this provision.

1.3.3 Prior to the receipt of a Termination Notice from a Prospective Initial Purchaser affected by an Owner Default, Owner shall have an opportunity to cure any Owner Default by providing a written notice (a "Late Notice") to such affected Prospective Initial Purchaser (i) prior to closing and (ii) within the later of ninety (90) days from (x) the date of execution of the Purchase Contract or (y) the Effective Date of the Ordinance (the "Cure Period"). If the Owner Default set forth in Section 1.3.1.3 is due solely to a fluctuation of interest rates on the bonds once the pricing of the bonds is completed, Owner shall have the opportunity to cure such Owner Default by providing a written notice setting forth the new annual Capital Assessments to such affected Prospective Initial Purchaser (the "Extended Late Notice") no later than the earlier of (i) the closing date of the Dwelling Unit or (ii) ninety (90) days from the pricing of the bonds (the "Extended Cure Period"). An Owner Default cannot be cured as to an affected Prospective Initial Purchaser after the expiration of the applicable Cure Period or applicable Extended Cure Period. If Owner provides (i) a Late Notice to a Prospective Initial Purchaser during the applicable Cure Period or (ii) an Extended Late Notice during applicable Extended Cure Period, then such Prospective Initial Purchaser may still elect to rescind the Purchase Contract at anytime for a period of thirty (30) days following receipt of Late Notice or Extended Late Notice. Upon such election, Owner shall return all monies paid by the Prospective Initial Purchaser regarding the purchase of the real property identified in the Purchase Contract within ten (10) calendar days after receiving written notice from the

Prospective Initial Purchaser that such Prospective Initial Purchaser has elected to rescind the Purchase Contract. No other remedies provided in Section 1.4 shall be available to a Prospective Initial Purchaser who receives an accurate Late Notice or Extended Late Notice during the Cure Period or Extended Cure Period, as applicable, regardless of whether the Prospective Initial Purchaser elects to rescind the Purchase Contract.

1.3.4 Every Late Notice or Extended Late Notice sent by Owner to a Prospective Initial Purchaser must include the following in bold type in a font at least as large as the largest font in such Late Notice or Extended Late Notice (*with correct type of notice indicated*):

THE DWELLING UNIT YOU ARE PURCHASING IS SUBJECT TO A COMMUNITY DEVELOPMENT DISTRICT AND A RELATED DECLARATION OF RESTRICTIVE COVENANTS WHICH REQUIRES THAT CERTAIN NOTICES BE GIVEN TO PURCHASERS BY OWNER. THIS IS A [LATE NOTICE or EXTENDED LATE NOTICE] UNDER SUCH DECLARATION. IF OWNER PROVIDES YOU WITH THIS [LATE NOTICE or EXTENDED LATE NOTICE] DURING THE APPLICABLE CURE PERIOD, THEN YOU AS A PROSPECTIVE INITIAL PURCHASER MAY STILL ELECT TO RESCIND THE PURCHASE CONTRACT FOR A PERIOD OF THIRTY (30) DAYS FOLLOWING RECEIPT OF THIS [LATE NOTICE or EXTENDED LATE NOTICE]. UPON SUCH ELECTION, OWNER SHALL RETURN ALL MONIES PAID BY YOU AS THE PROSPECTIVE INITIAL PURCHASER REGARDING THE PURCHASE OF THE REAL PROPERTY IDENTIFIED IN THE PURCHASE CONTRACT WITHIN TEN (10) CALENDAR DAYS AFTER RECEIVING YOUR WRITTEN NOTICE YOU HAVE ELECTED TO RESCIND THE PURCHASE CONTRACT, AND ALL OTHER PROVISIONS OF THE DECLARATION OF RESTRICTIVE COVENANTS NOT INCONSISTENT WITH THE REMEDIES SET FORTH HEREIN SHALL GOVERN. NO OTHER REMEDIES PROVIDED IN SECTION 1.4 OF THE DECLARATION SHALL BE AVAILABLE TO YOU AS A PROSPECTIVE INITIAL PURCHASER IF YOU RECEIVE THIS [LATE NOTICE or EXTENDED LATE NOTICE] DURING THE APPLICABLE CURE PERIOD, REGARDLESS OF WHETHER YOU AS A PROSPECTIVE INITIAL PURCHASER ELECT TO RESCIND THE PURCHASE CONTRACT.

1.3.5 If the Owner Default involves the failure to provide a Purchase Contract Notice or Owner provided a Purchase Contract Notice in substantially the correct form and location; however, such Purchase Contract Notice underestimated the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or the annual Capital

56

Assessments by more than five percent (5%), then the Late Notice or Extended Late Notice shall also contain the following:

YOUR PURCHASE CONTRACT PROVIDES THAT THE PURCHASE PRICE FOR YOUR DWELLING UNIT IS AS FOLLOWS: [INSERT PURCHASE PRICE INFORMATION]. THIS DWELLING UNIT IS OR WILL BE WITHIN A COMMUNITY DEVELOPMENT DISTRICT ("DISTRICT"). THE DISTRICT PLANS TO ISSUE OR HAS ISSUED BONDS THAT WILL HAVE PRINCIPAL AND INTEREST PAYMENTS APPLICABLE TO THIS DWELLING UNIT OVER A PERIOD OF UP TO THIRTY (30) YEARS TO FUND CONSTRUCTION OF INFRASTRUCTURE SERVING THE PROPERTY IN THE ESTIMATED AGGREGATE AMOUNT OF \$24,000 FOR A VILLA UNIT; \$27,000 FOR A TOWNHOME UNIT; AND \$30,000 FOR A SINGLE FAMILY UNIT. THE DWELLING UNITS SHALL BE ASSESSED AN ESTIMATED CAPITAL ASSESSMENT OF \$11,087 FOR A VILLA UNIT; \$12,472 FOR A TOWNHOME UNIT; AND \$13,858 FOR A SINGLE FAMILY UNIT, IF PAID IN FULL AT CLOSING OR AN ESTIMATED ANNUAL CAPITAL ASSESSMENT OF \$800 FOR A VILLA UNIT; \$900 FOR A TOWNHOME UNIT; AND \$1,000 FOR A SINGLE FAMILY UNIT FOR ITS PROPORTIONATE SHARE OF DEBT SERVICE ON THE BONDS UNTIL SUCH BONDS ARE PAID IN FULL. WHETHER THE CAPITAL ASSESSMENT IS PAID IN FULL AT CLOSING OR IN ANNUAL INSTALLMENTS IS AT THE OPTION OF THE PURCHASER TO BE EXERCISED AT THE TIME OF CLOSING. THESE AMOUNTS ARE DUE OVER THE TERM OF THE BONDS IN ADDITION TO THE PURCHASE PRICE. PURCHASER ALSO UNDERSTANDS THAT IF THE ACTUAL ANNUAL CAPITAL ASSESSMENTS ON THE DWELLING UNIT ARE MORE THAN FIVE PERCENT (5%) HIGHER THAN THE ESTIMATED AMOUNT PROVIDED HEREIN, PURCHASER SHALL HAVE THE RIGHT TO RESCIND THIS AGREEMENT AT ANY TIME PRIOR TO CLOSING. PURCHASER FURTHER ACKNOWLEDGES AND AGREES THAT THE ESTIMATED AMOUNT OF CAPITAL ASSESSMENTS DOES NOT INCLUDE ADMINISTRATIVE ASSESSMENTS WHICH SHALL BE LEVIED BY THE DISTRICT FOR OPERATIONS AND INFRASTRUCTURE MAINTENANCE AND MAY VARY FROM YEAR TO YEAR AND FROM TIME TO TIME. IN THE EVENT OF ANY CONFLICT BETWEEN THE DISCLOSURES IN THIS PROVISION AND THE ATTACHED CDD NOTICE, THE CDD NOTICE SHALL CONTROL.

1.3.6 If the Owner Default involves the failure to provide a CDD Notice or Owner provided a timely CDD Notice; however, such CDD Notice underestimated (i) the actual aggregate Administrative Assessments for each of the District's first three fiscal years by more than five percent (5%) and/or (ii) the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or the actual annual Capital Assessment by more than five percent (5%), then the Late Notice or Extended Late Notice must also include a CDD Notice, if

57

the Owner Default involves a failure to provide a CDD Notice or an accurate revised CDD Notice, if the Owner Default involves a timely but inaccurate CDD Notice.

1.4 Relief to a Prospective Initial Purchaser Who Actually Closes on a Dwelling Unit After an Uncorrected Owner Default.

1.4.1 In the event Owner fails to give a Prospective Initial Purchaser a timely CDD Notice, and such failure is not corrected by a timely and accurate Late Notice, then a Prospective Initial Purchaser that closes on the Dwelling Unit ("Actual Initial Purchaser") may demand, in writing, that Owner pay such Actual Initial Purchaser (i) the amount necessary to prepay all Capital Assessments principal, and interest on such Capital Assessments principal due through the next applicable bond payment date respecting the Dwelling Unit *plus* (ii) an amount equal to the sum of the share of the actual Administrative Assessments levied by the District on such Dwelling Unit for the District's first three (3) fiscal years immediately following the closing respecting the Dwelling Unit.

1.4.2 In the event that Owner gave to an Actual Initial Purchaser (i) both a timely CDD Notice and Purchase Contract Notice and either underestimated the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or the actual annual Capital Assessments (as set forth in Table 1 of the CDD Notice) by more than five percent (5%) and such underestimate was not corrected by a timely and accurate Late Notice or Extended Late Notice or (ii) a timely CDD Notice and no Purchase Contract Notice, if applicable, and the CDD Notice underestimated the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or the actual annual Capital Assessments by more than five percent (5%) and such underestimate was not corrected by a timely and accurate Late Notice or Extended Late Notice, then such Actual Initial Purchaser may demand, in writing, that Owner (a) pay such

actual Initial Purchaser, in the event he or she elects to pay the Capital Assessment in full at closing, an amount equal to the difference between the actual Capital Assessment due at closing and the estimated Capital Assessment due at closing disclosed in the CDD Notice to the Actual Initial Purchaser or pay such Actual Initial Purchaser, in the event he or she elects to pay an annual Capital Assessment, an amount equal to the difference between the actual aggregate amount of annual Capital Assessments, calculated over the term of the bonds, levied and imposed by the District on such Dwelling Unit and the aggregate amount of estimated annual Capital Assessments, calculated over the term of the bonds, actually disclosed in the CDD Notice to the Actual Initial Purchaser or, (b) if less, the amount necessary to prepay all Capital Assessments principal and interest on such Capital Assessments principal through the next applicable bond payment date with respect to the Dwelling Unit.

1.4.3 In the event that Owner gave an Actual Initial Purchaser a timely CDD Notice and such CDD Notice underestimated the actual annual Administrative Assessments by more than five percent (5%) and such underestimate was not corrected by a timely and accurate Late Notice, then such Actual Initial Purchaser may demand, in writing, that Owner pay such Actual Initial Purchaser an amount equal to the difference between the actual amount of the Administrative Assessments levied and imposed by the District on such Dwelling Unit and the amount of estimated Administrative Assessments disclosed to the Actual Initial Purchaser in the CDD Notice calculated for the District's first three (3) fiscal years immediately following the closing based on the initial actual annual Administrative Assessments.

1.4.4 Upon such demand by an Actual Initial Purchaser under this Section 1.4, Owner shall deliver the applicable amount to the Actual Initial Purchaser within ten (10) calendar days after: (1) receipt of written demand, or (2) after the date Capital Assessments

and Administrative Assessments first become payable, whichever is later, unless Owner and Actual Initial Purchaser agree to another manner or time of payment. An Actual Initial Purchaser shall provide to Owner written notice of election of remedy in this Section on or before one (1) year after the earlier of (1) the date that Capital Assessments and Administrative Assessments first appear on the Actual Initial Purchaser's Combined Real Property tax bill for the affected Dwelling Unit or (2) if such assessments are directly billed by the District and do not appear on the Actual Initial Purchaser's Combined Real Property tax bill, then the date that such Capital Assessment and Administrative Assessments first appear on any bill sent to the Actual Initial Purchaser by the District for the affected Dwelling Unit. After the expiration of that year, Owner shall not be obligated to provide any relief to such Actual Initial Purchaser under this Declaration.

1.4.5 Nothing in this Section 1.4 shall be construed to relieve any Actual Initial Purchaser of the individual Dwelling Unit of liability for all lawful taxes and assessments including, but not limited to, any tax liability resulting from Owner's payments to such Actual Initial Purchaser under Section 1.4.

1.5 Additional Disclosure through District Sign. Owner shall display at every entrance to a sales office or area, in a conspicuous location readily available for viewing by Prospective Initial Purchasers of Dwelling Units, a sign with information about the District. The remedy provisions discussed in Section 1.4 shall not apply to this Section. Such sign(s) shall be no smaller than twenty-four inches by thirty-six inches (24" x 36"), and shall contain the following language in substantially similar form in large, boldface type:

COCO PALMS COMMUNITY DEVELOPMENT DISTRICT

**PURSUANT TO CHAPTER 190, FLORIDA STATUTES, THE COCO
PALMS COMMUNITY DEVELOPMENT DISTRICT MAY IMPOSE TAXES
OR ASSESSMENTS, OR BOTH TAXES AND ASSESSMENTS, ON THIS
PROPERTY THROUGH A SPECIAL TAXING DISTRICT. THESE TAXES**

AND ASSESSMENTS PAY THE CONSTRUCTION, OPERATION, AND MAINTENANCE COSTS OF CERTAIN PUBLIC FACILITIES OF THE DISTRICT AND ARE SET ANNUALLY BY THE GOVERNING BOARD. IN ADDITION TO COUNTY AND ALL OTHER TAXES AND ASSESSMENTS PROVIDED FOR BY LAW. THE COCO PALMS COMMUNITY DEVELOPMENT DISTRICT EXPECTS TO ISSUE BONDS TO FINANCE A PORTION OF THE CONSTRUCTION OF REQUIRED PUBLIC INFRASTRUCTURE IN COCO PALMS. A PURCHASER OF PROPERTY IN COCO PALMS WILL BE OBLIGATED TO PAY ANNUAL ASSESSMENTS TO AMORTIZE THE DEBT AND FOR DISTRICT ADMINISTRATION, WHICH AMOUNTS ARE SEPARATE FROM THE PURCHASE PRICE OF THE PROPERTY AND OTHER ASSESSMENTS ON THE PROPERTY, AND WHICH MAY VARY FROM YEAR TO YEAR AND FROM TIME TO TIME. THE TOTAL ANNUAL ASSESSMENTS VARY IN RELATION TO THE INFRASTRUCTURE BENEFIT ALLOCATED TO THE PROPERTY ASSESSED, AND ARE EXPECTED TO APPEAR ON A PURCHASER'S PROPERTY TAX BILL EACH YEAR, BUT MAY BE BILLED DIRECTLY BY THE COCO PALMS COMMUNITY DEVELOPMENT DISTRICT. A PURCHASER SHALL HAVE THE OPTION TO PAY IN FULL AT ANY TIME THE PRO RATA SHARE, AS ALLOCATED TO THE PURCHASER'S PROPERTY, OF THE TOTAL AMOUNT OF DISTRICT CAPITAL ASSESSMENTS DUE. FOR FURTHER INFORMATION ON COCO PALMS AND A PURCHASER'S BENEFITS AND OBLIGATIONS RELATING THERETO, CONTACT [INSERT APPROPRIATE CONTACT INFORMATION]."

1.6 Inspection of District Records by County Representatives. Owner shall allow or provide for the District to allow County representatives to review all pertinent records in order to assess the overall performance of Owner in providing timely and accurate disclosure of estimated Capital Assessments and Administrative Assessments on Dwelling Units within the District. Prompt access shall be provided without prior notice of inspection by the County representatives, but only during normal business hours and without disruption of sales operations. The purpose of such inspection is only to determine Owner's overall compliance with the aforementioned notice requirements and such inspection shall not authorize the County to seek any relief provided under Section 1.4, either on behalf of itself or on behalf of any Prospective Initial Purchaser or Actual Initial Purchaser.

1.7 Sole Provider of Water, Wastewater, and Reuse Service. Owner acknowledges and agrees that Miami-Dade County Water and Sewer Department ("WASD"), or its successor agency or department, shall be the exclusive provider of water, wastewater, and reuse service to all lands within the Property. Service shall be provided by Miami-Dade County Water and Sewer Department ("WASD") in accordance with its general policies and procedures for providing service throughout Miami-Dade County.

1.8 Application for Multi-Purpose Special Taxing District to Maintain Infrastructure. The costs of maintaining the infrastructure constructed with funding provided through the District shall be the responsibility of the District and its successors and assigns. In order to assure that such maintenance is performed, however, on or before the recording of a final plat on any portion of the Property, Owner shall apply to the Board for the creation of a multi-purpose special taxing district to maintain the infrastructure serving the Property including, but not limited to, roadways, drainage, walls, and landscaping, as applicable. Upon approval of the multi-purpose special taxing district by the Board, such taxing district may remain dormant until, in the sole and exclusive opinion of the Board, both the District and any homeowners' or similar association shall have failed to maintain the infrastructure serving the Property, as such failure is defined in any easement and/or covenant recorded in the public records and governing the infrastructure or similar agreement provided by Owner, or in the absence of such easement, covenant or agreement, as determined by the Board. Upon such determination, the Board shall authorize the activation of the multi-purpose special taxing district and cause the infrastructure to be maintained at the expense of such taxing district. By this provision, Owner hereby authorizes the Board and its officials, employees, and agents to enter upon the Property if the special taxing district is activated for the purpose of maintaining the infrastructure serving the Property. Owner further agrees to apply, at the time of plat, replat, or waiver of plat, as applicable, to provide for an easement for the benefit of the County and providing that at any and all times during which the infrastructure or any portion thereof is maintained by the County, the public shall have a right

of perpetual access and use in those portions of the Property on which the infrastructure is located including, but not limited to, the roadways serving the Property.

2. BENEFITS AND ENFORCEMENT.

2.1 The covenants set forth in Sections 1.2, 1.3 and 1.4 shall run and be in favor of and to the benefit of Prospective Initial Purchasers and Actual Initial Purchasers of individual Dwelling Units within the Property, and their heirs, successors, and assigns, and shall be enforceable exclusively by such persons. After an individual Dwelling Unit has been once conveyed to an Actual Initial Purchaser, no further notice shall be required to be provided by Owner to any purchaser of a Dwelling Unit if the same has been improved with a residence. If a Dwelling Unit is conveyed as unimproved land, then such Dwelling Unit shall not be deemed to have been conveyed to a Prospective Initial Purchaser or Actual Initial Purchaser, and all of the covenants set forth in Sections 1.2, 1.3 and 1.4 shall apply to the Dwelling Unit and any Owner offering such Dwelling Unit for sale to Prospective Initial Purchasers.

2.2 The covenants set forth in Sections 1.6, 1.7 and 1.8 shall run and be in favor of and to the benefit of the County or any successor municipal government, and shall be enforceable exclusively by such governmental entity.

2.3 Enforcement shall be by action against any party or person violating, or attempting to violate, any covenants herein. The prevailing party in any action or suit pertaining to or arising out of this Declaration shall be entitled to recover, in addition to costs and disbursements allowed by law, such sum as the Court may adjudge to be reasonable for attorney and paraprofessional fees and costs and expenses and trial and upon appeal. This enforcement provision shall be in addition to any other remedies available at law or in equity, or both.

3. COVENANT RUNNING WITH THE LAND.

This Declaration on the part of Owner shall constitute a covenant running with the land and shall be recorded, at the expense of Owner in the public records of the County, following the acceptance by the Board of an ordinance approving the creation of the District, and shall remain in full force and effect and be binding upon the undersigned Owner, and its successors and assigns, until such time as the same is modified or released. These restrictions during their lifetime shall be for the benefit of, and litigation upon, all present and future owners of the Property and for the public welfare. Owner, on behalf of itself and its heirs, successors, and assigns, acknowledges that acceptance of this Declaration does not in any way obligate the County to undertake the construction or maintenance of any infrastructure or any other duty or obligation of the District.

4. TERM.

This Declaration is to run with the land and shall be binding on all parties and all persons claiming under it for a period of thirty (30) years from the date this Declaration is recorded, after which time it shall be extended automatically for successive periods of ten (10) years each, unless an instrument signed by the then owner(s) of the Property has been recorded agreeing to change the covenant in whole, or in part, provided that the Declaration has first been modified or released by the County.

5. MODIFICATION, AMENDMENT, OR RELEASE.

This Declaration may be modified, amended, or released as to the land herein described, or any portion thereof, by a written instrument executed by the then owner(s) of all of the Property, or of such portion as will be affected by the modification, amendment, or release, including joinders of any and all mortgagees, provided that the same is also approved by the Board, after public hearing.

Should this Declaration be modified, amended, or released, the County Manager or successor official of the County, or the assistant in charge of the office in the County Manager's absence, shall forthwith execute a written instrument effectuating and acknowledging such modification, amendment, or release.

6. ELECTION OF REMEDIES.

All rights, remedies, and privileges granted herein shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall such exercise preclude the party exercising the same from exercising such other additional rights, remedies, or privileges.

7. SEVERABILITY.

Invalidation of any one of the covenants herein by judgment of Court shall not affect any of the other provisions of this Declaration which shall remain in full force and effect. However, if any material portion of the covenants herein is invalidated and such provision is not timely amended or replaced, or cannot be timely amended or replaced in an enforceable way with materially the same effect as the invalidated provision, the County shall be entitled to revoke any approval predicated upon the invalidated portion. It shall be Owner's obligation to apply for and diligently pursue any such application for amendment or replacement.

8. ACCEPTANCE OF DECLARATION.

Owner acknowledges that acceptance of this Declaration does not obligate the County in any manner with respect to the District, or with respect to any land use application on the Property, nor does it entitle Owner to a favorable recommendation or the approval of any application, zoning or otherwise, and the Board and/or any Community Zoning Appeals Board and other County boards, officials, and employees retain full authority to approve or deny such application.

IN WITNESS WHEREOF, the undersigned have set their hands and seals to
this Declaration of Restrictive Covenants this 9th day of January, 2015.

1. The District. All of the residential dwelling units ("Dwelling Units") in Coco Palms (the "Development") are also located within the boundaries of the Coco Palms Community Development District (the "District"). The District is a local unit of special-purpose government organized and existing under the laws of the State of Florida and the Home Rule Charter of Miami-Dade County, Florida and located in Miami-Dade County ("County"). The primary purpose of the District is to finance the cost of the public infrastructure of the Development which may include, without limitation, water and sewer facilities, environmental mitigation, roadways, the surface water management system, utility plants and lines, land acquisition, miscellaneous utilities for the Development, as applicable, and other infrastructure projects and services necessitated by the development of land within the Development (collectively, the "Public Infrastructure").

2. The District Board. The Board of Supervisors of the District (the "District Board") is initially elected by the landowner in the District. The Board is required to advertise its meetings in advance and all District Board meetings are required to be open to the public. The District Board is required to prepare a budget each fiscal year and adopt the same in an open, public meeting. All owners of property within the District are invited to attend District Board meetings and participate in the public process.

3. District Finance and Assessments. The current plan is for the District to issue bonds to acquire, construct, reconstruct, and equip all or a portion of the Public Infrastructure identified in Section 1. Currently, it is estimated that the Dwelling Units in the Development will be assessed based on the Capital and Administrative Assessments listed in Table 1 above and in Sections 3.1 and 3.4 below (if paid in November) to retire the debt of the District, to pay for operations of the District and maintenance of the Public Infrastructure. District assessments will either appear on the County real estate tax bill of each property located within the District and will be paid at the same time as County taxes are paid, or will be directly billed by the District. Capital assessments to repay the principal portion of the bond debt could be levied by the District for a period of up to thirty (30) years.

____ PURCHASER'S INITIALS

3.1 District Capital Assessments. The District expects to issue bonds (the "Bonds"), the principal of and interest on which will be payable from non ad valorem special assessments ("District Capital Assessments") levied by the District on the property within the Development, which property is found to be specially benefited by the Public Infrastructure. Each Dwelling Unit is subject to a District Capital Assessment to repay the bonds.

____ PURCHASER'S INITIALS

3.2 Amount. The estimated amount of annual District Capital Assessments including principal and interest levied on each Dwelling Unit is expected to be approximately \$800.00 for a Villa Unit (approximately \$66.67 per month), \$900.00 for a Townhome Unit (approximately \$75.00 per month), and \$1,000.00 for a Single Family Unit, (approximately \$83.33 per month), which sum shall be payable annually for the term of the Bonds (the principal

repayment period may not exceed thirty (30) years). The aggregate amount of District Capital Assessments including principal and interest expected to be levied and imposed on each Dwelling Unit over the term of the Bonds (30 years) is approximately \$24,000.00 for a Villa Unit, \$27,000.00 for a Townhome Unit, and \$30,000.00 for a Single Family Unit.

PURCHASER'S INITIALS

3.3 Prepay Option. Each owner of a Dwelling Unit has the option of prepaying the aggregate amount of District Capital Assessments levied on the owner's Dwelling Unit. The prepayment amount at any time will be equal to the remaining outstanding pro rata share of principal and interest due through the next applicable payment date due on the bonds for each Dwelling Unit. Such prepayment amount will decline each year as the District Capital Assessments are paid.

PURCHASER'S INITIALS

3.4 District Administrative Assessments. In addition to District Capital Assessments, the District will impose an annual non ad valorem assessment to fund District operations and maintenance of its Public Infrastructure (collectively, "District Administrative Assessments"): Each Dwelling Unit shall be subject to District Administrative Assessments. The budget from which District Administrative Assessments are derived is subject to change each year, and may vary from year to year and from time to time. During each of the first three (3) fiscal years of the District, it is anticipated that District Administrative Assessments for the Dwelling Unit will be approximately \$ 135.00 per year per Dwelling Unit, after which time such assessments may vary from year to year and from time to time.

PURCHASER'S INITIALS

3.5 District Assessments. District Administrative Assessments together with District Capital Assessments shall comprise the "District Assessments." While the District Assessments are not taxes under Florida law, the District Assessments will constitute a lien coequal with the lien of State, County, Municipal, and School Board taxes, and are expected to appear on the ad valorem tax bill sent each year by the Miami-Dade County Tax Collector. The Homestead Exemption is not applicable to the District Assessments. Because a tax bill cannot be paid in part, failure to pay the District Assessments or any other portion of the tax bill will result in the sale of tax certificates and could ultimately result in the loss of title to the Dwelling Unit of the delinquent taxpayer through the issuance of a tax deed. If billed directly by the District, nonpayment could result in foreclosure on and loss of title to the Dwelling Unit.
