#### <u>TERMS</u>

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. <u>Recitals</u>. The foregoing recitals are approved and incorporated herein.

- 2. <u>Designation of Website</u>. The County has designated **legalads.miamidade.gov** ("Website") as the publicly accessible website for the publication of legal advertisements and notices by governmental agencies in Miami-Dade County, pursuant to section 50.0311 of the Florida Statutes. At any time, the County may, in its sole discretion, choose to designate a different website for this purpose. If the County does so, it shall provide notice in a manner of its choosing to the Local Government and any such new designation shall be automatically effective upon the date stated in County's notice. Any such new designation shall not require amendment of this Agreement. Such newly designated website shall be thereafter deemed the "Website" for purposes of this Agreement.
- 3. <u>Utilization of Website</u>. The Local Government may utilize the Website for its publication of legally required advertisements and public notices in accordance with the requirements of section 50.0311 of the Florida Statutes, if and to the extent it elects to do so. Nothing in this Agreement obligates the Local Government to utilize the Website for publication of any particular advertisement or notice. For any advertisements and notices that the Local Government wishes to publish on the Website, the County shall provide the Local Government with the ability to do so in a manner of the County's choosing. All postings by the Local Government must include contact information to ensure prompt identification of the responsible party. Separate and apart from its use of the Website, the Local Government shall be solely responsible for the placement of any advertisements or notices that the Local Government is required, or chooses, to publish in a print publication and for any advertisements or notices that the Local Government provides by mail or email pursuant to section 50.0311(6) or any other applicable law, rule, or regulation.
- 4. <u>Term.</u> The term of this Agreement shall commence upon the date it is fully executed by the Parties ("Effective Date") and shall continue until terminated by either Party as otherwise provided herein for a period not to exceed five years, with a possible option to renew, as provided herein.
- 5. <u>Extensions</u>. The County may extend this Agreement for two additional five-year terms (each an "Extension Term") on the same terms and conditions stated in this Agreement, though costs may change, by sending notice to the Local Government at least 30 days prior to the expiration of the then-current term. It is provided, however, that nothing herein shall be deemed to preclude the Parties from entering into additional agreements in the future relating to the Local Government's use of the Website.
- 6. <u>Compliance with Legal Requirements</u>. Each Party shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement. For the duration of this Agreement, the Local Government shall be solely responsible for verifying and ensuring its eligibility to utilize the Website in accordance with section 50.0311 and for adherence to all applicable requirements, obligations, duties, procedures, and conditions set forth in chapter 50 of the Florida Statutes, including, but not limited to, section 50.0311, and in any other applicable federal, state, or local law, rule, or regulation, as may be amended from time to time ("Legal

Requirements"). The County shall have no responsibility for ensuring that the Local Government, or its use of the Website, complies with such Legal Requirements or any other law, rule, or regulation.

- 7. <u>County Actions are Ministerial</u>. The Local Government acknowledges that any and all advertisements and notices published on the Website are prepared and published by the Local Government and not the County, and that any and all actions of the County in conjunction with or relating to the designation of the Website for use by the Local Government are, and shall be construed at all times as being, purely ministerial acts.
- 8. <u>Services Description</u>. The County will provide the Local Government access to publishing its legal advertisements and notices on the Website. The County will supply the software, licensing, maintenance, and prerecorded online video trainings required to provide Local Governments with access to the Website, with a maximum of two users each, to publish legal advertisements and public notices. The Local Government will be responsible for promptly notifying the County when any agents or employees of the Local Government should have their access to the Website revoked. The County will maintain the email distribution list for users that opt-in to receive email or direct mail from the County. However, the Local Government will be responsible for maintaining its own email and first-class mailing lists or distribution as part of Section 50.011 of the Florida Statutes. The County is not responsible for connectivity disruptions or delays caused by circumstances beyond its control.
- 9. <u>Training</u>. The County will provide prerecorded online video training sessions that can be accessed by the Local Government to assist with its use of the Website. As part of this Agreement, the County may provide updates regarding new capabilities and features, if applicable.
- 10. <u>Support</u>. The Local Government will have access to the online FAQ page to review answers to commonly asked questions. The County will provide support contact details, which may include a contact group, form, or individual, at the start of the agreement upon onboarding. County support hours are between the hours of 8 a.m. and 5 p.m. Monday through Friday, excluding observed County holidays. The County shall have the sole discretion to determine whether support requests qualify as an emergency, exceed reasonable use or are outside the scope of services. Urgent requests necessitating expedited processing outside of support hours are subject to additional fees, as delineated in the current Communications and Customer Experience Department (CCED) and Information Technology Department (ITD) rate sheets. Support service does not include support for errors caused by third party products or applications for which the County is not responsible.
- 11. <u>Financial Responsibility</u>. The Local Government shall bear all fees and costs relating to its use of the Website, including, but not limited to, fees and costs associated with any software and licensing, or website maintenance necessitated by Local Government's use of the Website, and any County administrative staff time required to facilitate Local Government's use of the Website. In a manner of its choosing, the County, or such entity designated by the County, shall invoice the Local Government for such fees and costs and, upon receipt of such invoice, the Local

Government shall be responsible for the timely payment of all such fees and costs. Additionally, separate and apart from its use of the Website, the Local Government shall be solely responsible for any and all costs associated with the placement of any advertisements or notices that the Local Government is required, or chooses, to publish in a print publication and for any advertisements or notices that the Local Government provides by mail or email pursuant to section 50.0311(6) or any other applicable law, rule, or regulation. If the Local Government fails to pay such fees and costs in a timely manner, the County may terminate the Local Government's access to the Website, and the County shall have no liability to the Local Government for such termination or lack of access due to non-payment.

- 12. <u>Costs.</u> The annual necessary software, maintenance, and support costs for each Local Government are estimated to be \$707 per Local Government agent or employee user. This figure represents an approximate estimate of the anticipated recurring annual costs, which may vary from year-to-year, and nothing herein shall be deemed to preclude the County from charging the Local Government the actual costs associated with its use of the Website in a given year, as provided in paragraph 11. In addition, such costs may be subject to annual increases at the County's discretion, and the Parties agree that the estimated annual cost figure set forth in this paragraph shall be adjusted and deemed amended herein accordingly.
- 13. <u>Reimbursable Expenses</u>. The Local Government will not be reimbursed for expenses it bears unless expressly provided for in this Agreement.
- 14. <u>Sovereign Immunity</u>. Nothing herein is intended to serve as a waiver of sovereign immunity by either Party nor shall anything included herein be construed as consent by either Party to be sued by a third party in any matter arising out of this Agreement.
- 15. Indemnification. Local Government shall indemnify and hold harmless the County and all of the County's current, past, and future officers, agents, and employees (collectively, "Indemnified Parties") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and (i) relating to the Local Government's use of the Website or the Local Government's advertisements or notices published on the Website, or (ii) caused or alleged to be caused, in whole or in part, by any breach of this Agreement by the Local Government, or (iii) any intentional, reckless, or negligent act or omission of the Local Government, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement or the Local Government's use of the Website. The Local Government further agrees and acknowledges that, from time to time, issues relating to, for example, technological glitches or failures, hardware or software malfunction, connectivity, and loss of power may arise and that such issues may impact the ability of the Local Government to use the Website to publish advertisements and notices. The Local Government agrees and acknowledges that the County shall not be liable for any such issues, and further agrees to indemnify and hold harmless the Indemnified Parties from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses,

including through the conclusion of any appellate proceedings, raised or asserted by any person or entity relating to such issues. The obligations of this section shall survive the expiration or earlier termination of this Agreement.

- 16. <u>Termination</u>. Either Party may terminate this Agreement without cause upon at least 90 days' prior written notice to the other Party. This Agreement may also be terminated for cause by the aggrieved Party if the Party in breach has not corrected the breach within 30 days after receipt written or electronic notice of from the aggrieved Party identifying the breach. In addition, if the publication of advertisements and notices on the Website is determined to be illegal by a court of competent jurisdiction, or if the Florida Legislature modifies Florida law to prohibit utilization of the County's designated publicly accessible website for publication of such advertisements and notices, this Agreement will be deemed automatically terminated upon such finding becoming final or such law becoming effective, as applicable.
- 17. Public Records. The Parties acknowledge and agree that as political subdivisions of the State of Florida, both Parties are subject to Florida's Public Records Law, Chapter 119 of the Florida Statutes. Nevertheless, the County is not the custodian of the Local Government's records and the Local Government acknowledges and agrees that the County does not assume responsibility for handling or responding to any public records requests submitted to the Local Government. Each Local Government shall be responsible for maintaining, in accordance with the requirements of Florida law and retention schedules, all records associated with its own legal advertisements and notices posted on the Website and for fulfilling public records requests relating to such legal advertisements and notices. In the event that any confidential records or materials are exchanged, the Parties shall endeavor to treat the other Party's confidential information as it would treat its own confidential information of a similar nature. In the event that third party records are exchanged, the Parties mutually agree to inform the other Party of any requirements or potential confidential nature of such records. The parties' compliance with, or good faith attempt to comply with, the requirements of Chapter 119 of Florida Statute shall not be considered breach of this Agreement.
- 18. <u>Notices</u>. Unless expressly provided otherwise in another section of this Agreement, for any notice to a Party to be effective under this Agreement, such notice must be sent via U.S. first-class mail, with a copy sent contemporaneously via email, to the addresses listed below. Such notice shall be effective upon mailing. A Party may at any time provide written notice to the other Party designating a new address for receipt of future notices. Any such notice of a newly designated address shall be kept with, and deemed a part of, this Agreement.
